### Cleaning Campaign by the members of NVSS

*Date: Jan 10, 2009*

*Venue: The road near Drugs, Vaccines and Equipment Division en-route to Chanzamtok*

Yet again the members of NVSS gathered up near the dirty road at a suburb of Chanzamtog to clean sweep the area. Following are some of the snapshots:

*The trash was burnt up on the same spot*

*The “wet” trash was gathered in a truck to be disposed off to a proper place*
