Community Service by the members of NVSS

Date: September 15, 2007

Venue: Dechenphu Lhakhang

The members of Nopkin.com got together yet once again this time for a good cause to render community service at the construction of Dechenphu Lhakhang.

A Lhakhang was being constructed at Dechenphu, one of the most sacred places in Bhutan. Believed to be the abbot of the local deity Genyen Jakpa Milan, the place is visited by hundreds of thousands of devotees especially on auspicious days. Out of pure devotion, the members volunteered to render the service in lifting the stones and helping the construction workers at the site.
